

Career Counsellor Update

Carla Praticante cpraticante@brsd.ab.ca

Please know that I miss being at your school, but I am still here to remotely support you with planning for high school and for life beyond high school.

I can support you in

- ***setting up your myPass.***
- ***reviewing your transcripts and requirements for receiving your High School Diploma or Certificate of Achievement.***
- ***researching career possibilities and post-secondary opportunities including the trades.***
- ***updating your resume or discussing how to job search.***
- ***Other ideas???***

How can we meet?

You can email if you have questions or need to chat. If you do not have an email at home, please contact the school or your teacher and I reach out to you by phone. I can also set up Google Meet appointments for sharing resources or conversations that are better face-to-face.

If you are planning to attend post-secondary in the fall?

Be sure to check out the [High School Plus](#) site (under Quick Links on the school's homepage) and the '**COVID-19 What's New?**' section for live updates from the post-secondary institutions and financial aid supports.
