New Norway School

Supply List for Junior & Senior High

Students need a similar list to the Grade 6's (listed below for reference) including binders, paper and/or exercise books, lots of pens & pencils, erasers, white glue AND glue sticks, scissors, exercise books, dictionary (whether book or app), ruler, good-quality math/geometry set, pencil crayons & duo tangs. They will require earbuds or headphones for use with the computers.

Indoor running shoes for PhysEd classes is required; a change of clothes/sportswear is recommended.

Junior High students require a scientific calculator (not "graphing")

Grade 10 and 11 will need a graphing calculator. TI-83 plus, TI-84 plus or TIInspire CX are recommended. For a full list of acceptable calculators see Mrs. Shostak.

As well, students must provide their own replacement batteries or charging cord, if applicable.

Grade 8 and 9's will need at least one notebook that has between 100-200 pages and is close to 8 ½ by 11 as possible (the size of a full sheet of paper), for Math. (Fivestar are excellent)

Junior High and Senior High students are encouraged to have an agenda, to build life-long organizational skills. The school will not provide them (to allow our older students to express their individuality), but teachers will be using them as part of their classroom management.

Please label all your child's supplies and clothing!

Grade 6 - listed for reference only

1 inch binder for Music - Labelled with name and subject
