

# VIRTUAL POST-SECONDARY EVENTS

**What:** Two Virtual Post-Secondary Fairs for BRSD High School Students & Families

**When:** Thursday, October 22 and Tuesday, November 24 from 6-8pm

ELAA

Educational Liaison Association Of Alberta

**Why:** This is a fantastic opportunity for you to ask questions to **28 Alberta post-secondary institutions** including Colleges, Universities, Technical Institutions, the RCMP, and Canadian Forces. You can inquire about **programs, admission requirements, scholarships, housing**, and much more! Nowhere else do you get all these institutions in one place so be sure to take full advantage of this opportunity to plan for your future. Invite your friends and family to join you!

**How to Register:** High school students can register and connect to the event using the directions shared in their **High School Plus Google Classroom**. If students have questions, they can contact their career counsellor.

Once logged in you can visit the exhibitor hall by selecting “Exhibit Hall” in the middle of the screen or by selecting the icon at the bottom of your screen.

From here you will see the exhibit hall where you can select different institutions to explore and learn more about. Be sure to visit each booth and see if they have programs and experiences that might be right for you!

In each booth you will be able to ask questions via the chatroom and recruiters can connect with you one on one if needed. There are materials such as **viewbooks** that you can collect in your briefcase by selecting the orange briefcase icon. Be sure to **download items in your briefcase before the event is over** so you have access to it after the event!

Click each item in your briefcase you want to download and then click the download selected in the bottom right corner to download a zip file. Ask for help in the lobby at the help desk if you are having trouble with anything!

We recommend that you check out each institution's virtual booth to see if they have programs that might be a good fit for you. Learn about **admission requirements, application deadlines, and costs**. Look into their info on **athletics, extra-curricular, scholarships, housing**, and all the other exciting opportunities that await you in your post-secondary journey!
