---

Dear Spartan Families,

In light of today's events, as much as possible we will ensure learning continues with very few disruptions.

Grade 7 and 8 students who are required to isolate; students are asked to access each of their Google Classrooms first thing in the morning to receive instructions from their respective teachers.

Bus students who are required to isolate; your individual teachers will be in contact with those parents/students with details on how their learning will be supported for the next three days.

High School students whose teachers are required to isolate: classes will continue as usual with substitute teachers in place and fully supported by regular classroom teachers virtually/online.

Grade 9 students whose teachers are required to isolate, classes will continue as usual with substitute teachers in place and fully supported by their regular classroom teacher virtually/online.

All other students, classes and your day will look very close to as it always does.

If you have any questions or concerns, please contact the school

Once again, we will get through this, together.

That's what Spartan's do.

Keep healthy and safe.
