Principal: Mr. R. Payne Assistant Principal: Mr. S. Searle

---

Dear New Norway School families.

We learned today that someone connected to New Norway School has tested positive for COVID-19.

When we were first informed of this, we took some proactive steps to reduce the possibility that others who may have been exposed did not come into the school today.

Since that time, we are fortunate to have been informed by Alberta Health Services that, in this case, our school was not considered to be at risk and we can carry on with our normal routines.

While that is a relief for all of us, it is also a good reminder that COVID is still very much present and active in our community.

We do encourage parents/guardians to please monitor their children carefully for any signs or symptoms of COVID-19. The Daily COVID-19 Checklist can be found [here](#). Please remember to complete the checklist each day prior to attending school and/or getting on the school bus. If your child has any of the symptoms of illness listed on the daily checklist, please fill out the online [Alberta Health Services COVID-19 self-assessment](#) or call Health Link at 811 and keep your child at home.

Thank you for your continued support and understanding.

Richard Payne, Principal

Steve Searle, Assistant Principal
