Off Loading Instructions

1. Stage to the west of our building on the gravel road. Be sure to not block any driveways.
2. **Wait your turn. One truck in front of the gate at a time.** Pull up to gate but leave room for other trucks to exit. The gate will open **when it is your turn. ROLL DOWN BOTH OF YOUR WINDOWS** so you can hear the PA System and the Crane horn.
3. Drive onto the scale. **Make sure that all your axles are on the scale as it is only 80 feet long.**
4. The crane operator will beep his horn when he is ready for you or the light will turn green. Go to middle of yard to the off-loading /loading area.
5. When done, go back onto scale. The gate will open when we are ready for you to leave.
6. If you delivered a load and are to be paid for the material come into the office for payment, **one person at a time.**
7. Any other paperwork requests come into the office.
