5. New Norway
6. Bawlf
7. Viking
8. St. Augustine

Covid Protocols

In an effort to provide a safe environment for school sport as well as providing clear communication to our home team as well as visiting teams and their parents, we would like to relay the following Covid protocols for all participating teams and their fans (parents).

1. If your teams are travelling together there will be a designated area for the opposite gender to sit while the same school is playing. Example: If the Bawlf teams travel together the Bawlf boys will have a designated spot to sit while the Bawlf girls are playing and those teams will switch while their boys play. This will happen for all teams travelling together from the same school.
2. If teams are travelling separately please arrive no earlier than 30 minutes before your scheduled match. In addition, please do not enter the gym before the previous game has been completed.
3. Please have your teams dress before they arrive as the change rooms will not be available. (The changerooms are not accessible because to access the players would have to walk through fans from other schools.)
4. Masks are to be worn at all times, other than when players are warming up, or during actual match play. During match play all players on the bench, coaches, fans, and minor officials **MUST** wear a mask.
5. Please have team meetings or gatherings outside the school building.
6. Game balls will be sanitized between matches. Please provide your own warmup balls.
7. No warmup behind the hitting team.

8. No changing of sides.
9. No handshakes, please do three cheers then wave to the other team.
10. We are required to only allow 2 parents/ guardians per player as our space is limited and will not allow for physical distancing with extra fans.
11. At the conclusion of each game the fans will be required to exit through the west gym exit doors to allow for the next teams and their fans to enter.
Boys parent / guardians are not allowed to stay in the gym to watch the girls games. Same for girls parent / guardian group during boys games.
