

October 20th, 2021

Dear Parents/Guardians,

Halloween is fast approaching and we thought we would give you a little more information about the events of our Halloween celebration on Thursday, October 28!

We will have regular classes in the morning, but students are able to wear their costumes to school if you wish, as we are trying to limit the amount of parents in the school. If not, students can put their costumes on at lunch recess and teachers will be there to assist if needed. Please be mindful when choosing a costume for your child, and refrain from any scary costumes, entire face covering masks and violent props.

We will have a Halloween Parade outside around New Norway (weather permitting) beginning at 1:00 pm. The route is attached below and you are welcome to come find a spot and watch! After the parade we will return to our individual classrooms for some Halloween activities.

We are unable to share any kind of food, so please do not send treats for the whole class. If you would like to send a special treat for just your child to have in the afternoon, that is fine!

Thank you in advance and Happy Halloween!
