New Norway School

Supply List for Junior & Senior High

Students need a similar list to the Grade 6's (listed below for reference only) including binders, paper and/or exercise books, lots of pens & pencils, erasers, glue, scissors, exercise books, ruler, math/geometry set, pencil crayons & duo tangs. They will require earbuds or headphones for use with the computers.

Indoor running shoes for PhysEd classes is required; a change of clothes/sportwear is recommended.

Junior High students require a scientific calculator (not "graphing")

Grade 10 and 11 will need a graphing calculator. TI-83 plus, TI-84 plus or TIInspire CX are recommended. For a full list of acceptable calculators, see Mrs. Shostak.

As well, students must provide their own replacement batteries or charging cord, if applicable.

Grade 7, 8 and 9's will need at least one notebook that has between 100-200 pages and is close to 8 ½ by 11 as possible (the size of a full sheet of paper), for Math. (Fivestar are excellent)

Junior High and Senior High students are encouraged to have an agenda, to build life-long organizational skills. The school will not provide them (to allow our older students to express their individuality), but teachers will be using them as part of their classroom management.

Junior and Senior High students are also encouraged to have a thesaurus and dictionary, for exam use (apps are fine, but you can't bring your phone to an exam).

Please label your child's supplies and clothing!

Grade 6 supply list **this list provided for Jr/Sr reference only ******
