Discussion items: SGF

AP106 states:

“12. The school account activities & balances will be reported three times during the year to School Council/Advisory Committee and the staff, or upon request at any time during the year. These reports will be dated August 31st, December 31st, and April 30th. The reporting will be consistent with the standardized format referred to in the SGF Accounting Manual.”

Please make sure your school council is documenting your presentation in their minutes and attaching the standardized report.
