Hello!

We are happy to let you know that Battle River School Division is once again offering Summer School. Summer School will be offered online. Students must have a Chromebook or computer to be able to complete their school work.

Summer School begins July 4th and ends July 28th . Because you will be completing an entire course in only four weeks, please be prepared to spend 5-6 hours a day on your course work.

Students are able to register in one course, as well as a three credit course bundle if they choose. There is a non-refundable \$45 fee for all BRSD students. Registration will open on April 19th. To begin your course selection process, please go to your school website. Under 'Quick Links', select 'Online Payment and Ordering'. Sign in or create an account, if you or your parents haven't created one already. You should now see the BRSD Summer School link! The courses visible to you are the courses that are open for registration.

Please note that once you have submitted the online course selection and payment, you must complete the paper registration form and scan/email it to [lhoff@brsd.ab.ca](mailto:lhoff@brsd.ab.ca) at BRACE. Payment and course selection only holds your spot. Without the registration form, you are not considered registered. Please make sure everything is completed fully, signed and dated, or your form will not be valid.

Students will receive an email verification once ALL pieces of the registration process are received. Further information will be provided to registered students in June regarding any textbooks and beginning their course. Courses will open before June 30th, and students can begin submitting assignments on July 4th .

Please note there is a course cap this year. If you are interested in taking one of the offered courses, don't delay in registering. Registration will close no later than June 15th, but once courses are full, they will no longer be available.

If you have any questions, please feel free to contact me at 780-672-2205. We look forward to working with you at Summer School!

If you have any questions please don't hesitate to ask.

Yours truly,
